

SKY ONE FZE

07th March 2021

To whomsoever it may concern

It's my pleasure to write this letter of recommendation for my colleague – Mr. Anirban Bhattacharya.

Anirban and I worked together at Sky One FZE, where Anirban serves as “**Head of Special Projects**” since Sept 2018 and held additional responsibility as Chief Strategy & Project Officer with our group entity ‘Pier Seven Aviation FZC’.

I thoroughly enjoyed my time working with Anirban and have come to know him as a truly valuable asset to our team. He is genuinely honest, dependable, and hardworking.

Beyond that, being an impressive problem solver who can address complex issues strategically and confidently, Anirban's depth of knowledge and project / contract management skills were always in full display.

Anirban is at his best when challenged and never intimidated by them. Critical projects were very ably handled by him. He displayed amazing skill and deft in single handedly closing the acquisition of a CRJ 200 aircraft (MSN 7962) and hand-holding the entire project through its acquisition, transfer of title, RTS and C-Check program.

Along with his undeniable talent, Anirban has always been an absolute joy to work with. He is a true team player, and always fosters positive discussions and brings the best out of other employees.

Without a doubt, I confidently can recommend Anirban any day. His departure from the company is a great loss to the team. We all wish him grand success.

Best wishes,

Shabbir Pirmohamed
Chief Operating Officer
